

**Invitation to the
YFE Virtual Round Table
with
Andreas Matthä
CEO of the Austrian Federal Railways**

Are you passionate about the future of transport? Do you have an academic or professional background in the field? Join us for an exclusive Round Table discussion with Andreas Matthä, CEO of the Austrian Federal Railways (ÖBB-Holding)!

This is a unique opportunity to get to know one of the leading figures in European railway transport, learn more about key industry challenges, and explore the future of sustainable mobility.

 **When:** Tuesday, April 15th, 2025, 17:30 CEST (Vienna, Austria)

 **Where:** Online via MS Teams

You can look forward to an interesting discussion on...

- ♦ **Andreas Matthä's Journey** – Insights from a career spanning over 40 years at ÖBB.
 - ♦ **EU Cooperation** – How ÖBB aligns with the EU Green Deal and improves interoperability.
- ♦ **Nightjet Success & Future Plans** – The growth of cross-border night train travel.
 - ♦ **Young Talent in Transport** – Essential skills and opportunities for the next generation.

Why join?

- ✓ Gain first-hand insights into the railway industry's future.
- ✓ Network with like-minded professionals and students.
- ✓ **Ask your questions via the chat during the event!**

This event is designed for young professionals, students, and researchers eager to contribute to the future of transport.
